wine of Stellenbosch

tasting notes

Produced from four outstanding clones of Cabernet Sauvignon planted on different sites in the Stellenbosch area. Made to exude absolute purity of varietal character and as such display true Cabernet Sauvignon cassis and blackcurrent flavours. The wine has a fresh, minty herbaceousness backed by mocca vanilla oak. Firm structured tannins and a long finish on the palate show good ageing potential.

blend information

90% Cabernet Sauvignon, 6% Petit Verdot, 4% Cabernet Franc

in the vineyard

Soil type: Malmesbury Shale on deep red clay

in the cellar

All grapes were hand picked and fermented in Stainless Steel Tanks. A traditional punch down every 4 hours is used to extract the fine tannins and colour from the skins. 4 weeks maceration on skins before gentle pressing. Pea protein fining followed by X-Flow filtration before bottling.
Vegan friendly winemaking
Wood Elevation:
14 months
20% New French Oak – Nevers, Allier; Medium Toasted
60% Second Fill 300L French Oak
20% Third Filled French Oak
